ORDER FORM FOR PROCEEDINGS

The Proceedings of this symposium will be made available in three ways, with a target publication date for Volume II of 1 March 1993:

◆ Private sector and foreign government individuals may complete this form and mail it, together with a check for \$40.00 (\$50.00 for international air mail), to the address below.

◆ U.S. government employees may complete this form and mail it, without a check, to the address below. A sponsor will be sought for a special printing and dissemination of the Proceedings at no cost to U.S. government employees.

◆ Adventurous souls familiar with INTERNET may look for the Proceedings in a special topic under the Whole Earth Review Conference in The Whole Earth 'Electronic Link (WELL); it may also be ported to other spots on INTERNET.

The Proceedings will consist of Volume I, which you have in hand, and Volume II, comprised of the following:

- ◆ Text or outline of each presentation where provided by speaker
- ◆ Three papers per speech (target--your inputs solicited)
- ◆ Hard and soft copies of the directory of participants (showing only those who have agreed to have their names and other information listed)

The price quoted above is for Volume II (with diskette). Multiple copies may be ordered. Additional copies of Volume I may also be ordered, at a cost of \$25 (\$35 for international air mail). All prices include shipping and handling.

NAME: _____

ADDRESS: _____

VOICE TELEPHONE: _____ FAX TELEPHONE: _____

Number Copies Volume I: _____ Number Copies Volume II: _____

___ CHECK ENCLOSED

___ U.S. GOVERNMENT REQUEST

EVALUATION FORM FOR 1992 SYMPOSIUM

This was a first effort. Help us make next year's effort even better.

How many days should this annual symposium last? 1 2 3 4 5

How long should a typical speech last in minutes? 20 30 40 50

Should displays run concurrently with speeches? YES NO

Should there be a single dedicated display day? YES NO

Should time be set aside for interest groups? YES NO

How many displays should there be? FEWER OKAY MORE: ____

Should lunch be organized, or open period? ORGANIZED OPEN

Should the last day end at noon, 1500, or 1700? NOON 1500 1700

Please list your top three speakers this time:

1 _____

2 _____

3 _____

Please list speakers least useful to you personally:

1 _____

2 _____

3 _____

Please propose three speakers for next year's symposium (may include yourself):

1 _____ Telephone:

2 _____ Telephone:

3 _____ Telephone:

Next year the symposium will be under the direction of the Open Source Coordinator and his Deputy, and will be contracted out or assigned to an executive agency. Please help us consider alternative administrative arrangements.

Should the government fund this symposium and screen applications rather than accept paid registrations? YES NO

If fees are charged next year, it is likely that the cost to the private sector individual will be \$500, and to government \$300. Would you consider that reasonable for the same level of service, with lunch included on all three days? YES NO

This year one-third of our participants submitted their registrations in the last week of November.

-- How did you learn of the symposium? JANE'S MAIL OTHER

-- When did you learn of the symposium? SPRING SUMMER FALL

-- If you had no choice, could you commit to a non-refundable seat three month's prior? YES NO

Please comment on how we might better advertise this symposium, and recommend specific mailing lists or periodicals to consider:

The information industry calendar is crowded. The week of 8 November 1993 appears to be clear and avoids the holiday season. Is that convenient to you?

___ YES If not, please recommend another week in the year: _____

Many government employees find it easier to obtain travel orders and give a symposium their undivided attention if it is held outside the Washington area. On the other hand, if funded by the government, the Washington area offers the best location for attracting as many government employees as possible. On balance, would you hold the symposium in the National Capital Area, or elsewhere?

___ NCA ___ Elsewhere. Specifically: _____

If held in the NCA, access to metro, and/or good parking, is important. Please list two or three hotels that you would regard as particularly suitable for hosting next year's symposium:

- 1 _____
- 2 _____
- 3 _____

All major information research centers in the United States received direct mail notice of this symposium, and offers of free display space. With the exception of the Monterrey Institute, none chose to display, and only a few of the national laboratories chose to attend. Please comment on how we might do a better job of engaging their interest:

A deliberate decision was made to keep the symposium totally open and not limit it to U.S. citizens. The intelligence community leadership accepted that decision and embraced the rationale behind it. Please check appropriate boxes below:

<input type="checkbox"/> GOVERNMENT EMPLOYEE	<input type="checkbox"/> PRIVATE SECTOR
<input type="checkbox"/> U.S. NATIONAL	<input type="checkbox"/> FOREIGN NATIONAL
<input type="checkbox"/> GOOD DECISION	<input type="checkbox"/> BAD DECISION

Would you like to see a greater role played by foreign government agencies and foreign information industry elements in next year's symposium, with a target being one third foreign speakers and one third foreign displays?

YES NO DIFFERENT TARGET PER CENT: _____

Any additional comments you have would be most welcome.

Falls Church, Virginia 22043

INTEREST FORM FOR 1993 SYMPOSIUM

Submission of this form will ensure that you receive a personal mailed notice of the 1993 symposium. It does not guarantee a seat. The exact conditions under which next year's symposium will be held are to be determined by the Open Source Coordinator. These forms will support that decision process.

NOTE: Before filling out the form, please consider sharing copies with others who did not attend but might wish to be listed in the database for next year's mailing.

NAME: _____

ADDRESS: _____

VOICE TELEPHONE: _____ FAX TELEPHONE: _____

___ AVAILABLE AS A SPEAKER OR PANELIST

___ INTERESTED IN SUBMITTING PAPER FOR 1993 PROCEEDINGS

___ INTERESTED IN PROVIDING DISPLAY FOR 1993 SYMPOSIUM
