

Contents of Video Proceedings

We were able to capture the entire symposium, with excellent audio because of our investment in a direct line from the lecturn to the recorder, with three exceptions: James Anderson, Stephen Andriole, and Erika Nobel were not recorded due to a lapse we cannot explain. They are however represented in Volume II of the Proceedings, where their comments and slides are included.

Following is the organization of the eight video tapes:

- | | |
|---------|---|
| Tape 01 | Steele (awards), Hutchinson, Hlava, Allen |
| Tape 02 | Steele (official comments), Studeman, Clift, Strassman, Wood |
| Tape 03 | Rheingold, Barlow, Holden-Rhodes, Meyer, Dedijer |
| Tape 04 | Keyworth, Kahn, Gage |
| Tape 05 | Ruh, Schwartau, Kahin |
| Tape 06 | Williams, Molholm, Cotter, Johnson, Mortimer |
| Tape 07 | Riddle, Pedtke, and Questions & Answers
Stapleton, and Questions & Answers |
| Tape 08 | Donahue, McConnell, Gellman, Ryan, and Sims |

It proved impossible, within the budget I had, to extract a one hour summary. The speakers were all uniformly superb and deserve to be heard without editing. The set of tapes is available at cost, for \$100 to domestic and APO addresses, \$115 (surface) and \$130 (air) to foreign addresses. There are no restrictions on duplication and showing of the tapes.

To order a set, send a check made out to Open Source Solutions at 1914 Autumn Chase Court, Falls Church, Virginia 22043-1753. Money orders are fine, credit cards and billing arrangements cannot be accomodated.
